**ANSWER**

**MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS  
(SHRI R.P.N. SINGH)**

(a) & (b) : The details of the terrorist attacks in the hinterland of the country during the last three and the current year including the number of people lost their lives in these terrorist attacks is at Annexure-I.

(c) to (e): Indian Mujahideen (IM) terrorists, arrested for their involvement in Pune Blasts Case (1.8.2012), had revealed their plans to target temples in BodhGaya. The input was shared with concerned agencies through Multi-Agency Centre (MAC) on October, 2012. As 'Law & Order' is a State subject as per the 7<sup>th</sup> Schedule of the Constitution of India, the further action lies with the concerned State Security Agencies. However, there exists a very

close and effective coordination amongst intelligence agencies at the Centre and the State levels to monitor the activities of terrorist organizations. Intelligence inputs about possible designs and threats are shared with the State Governments concerned on a regular basis. The Multi Agency Centre (MAC) has been strengthened and re-organized to enable it to function on 24x7 basis for real time collation and sharing of intelligence with other intelligence agencies and security intelligence inputs are shared with the concerned States through the established mechanism, which ensures close coordination and sharing of intelligence and seamless flow of information between the States and the Central Security and Law Enforcement Agency. This has resulted in busting of many terror modules, averting major terror attack planning.

(f) : The details of present status of investigation of the terrorist attacks since 2009 is at Annexure-I.
