MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS

(a) & (b) : The World Drug Report, 2016 released by United Nations Office on Drugs and Crime (UNODC) mentions that the departure and transit countries in Asia are mostly in the Middle East

Measures taken by the Government to prevent drug trafficking include intensive preventive and interdiction efforts along known drug routes, strict surveillance and enforcement at import and export points, increased international cooperation for exchange of information and investigative assistance in administering control over the movement of Narcotic Drugs & Psychotropic Substances and Precursor Chemicals, training programmes for law enforcement officials for upgrading their skills to combating drug menace, sharing of real time information and coordination operation with Nodal agencies of neighbouring countries and empowerment of Border Security Force, Sashastra Seema Bal and Coast Guard under the Narcotic Drugs & Psychotropic Substances (NDPS) Act for making interdiction of narcotic drugs and to prevent smuggling of the same.
