GOVERNMENT OF INDIA MINISTRY OF HOME AFFAIRS

LOK SABHA UNSTARRED QUESTION NO. 454

TO BE ANSWERED ON THE 19TH JULY, 2022/ ASHADHA 28, 1944 (SAKA)

THREAT OF CYBER ATTACKS

454. DR. NISHIKANT DUBEY:

Will the Minister of HOME AFFAIRS be pleased to state:

- (a) whether there has been an increasing threat of cyber attacks in the country;
- (b) if so, the details of cyber attacks reported during the last three years and the current year; and
- (c) the details of action taken by the Government for countering cyber attacks?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI AJAY KUMAR MISHRA)

- (a)& (b): As per the information reported to and tracked by Indian Computer Emergency Response Team (CERT-In), a total number of 394499, 1158208, 1402809 and 674021 cyber security incidents were observed during the year 2019, 2020, 2021 and 2022 (upto June), respectively.
- (c): Government has taken following measures to enhance the cyber security posture and prevent cyber attacks:
 - (i) Government issues alerts and advisories regarding latest cyber threats/vulnerabilities and countermeasures to protect computers and networks on regular basis.

- (ii)Government is operating an automated cyber threat exchange platform for proactively collecting, analyzing and sharing tailored alerts with organizations across sectors for proactive threat mitigation actions by them.
- (iii) Government has issued guidelines for Chief Information Security

 Officers (CISOs) regarding their key roles and responsibilities for securing applications / infrastructure and compliance.
- (iv) All the government websites and applications are audited with respect to cyber security prior to their hosting. The auditing of the websites and applications is conducted on a regular basis after hosting also.
- (v) Government has empanelled 97 security auditing organisations to support and audit implementation of Information Security Best Practices.
- (vi) Government has formulated a Cyber Crisis Management Plan for countering cyber attacks and cyber terrorism for implementation by all Ministries/ Departments of Central Government, State Governments and their organizations and critical sectors.
- (vii) Government is regularly conducting cyber security mock drills to enable assessment of cyber security posture and preparedness of

organisations in Government and critical sectors; workshops for Ministries, Departments, States & UTs and organizations to sensitise them about the cyber security threat landscape and enable them to prepare and implement the Cyber Crisis Management Plan (CCMP); and Government also conducts training programmes for network / system administrators and Chief Information Security Officers (CISOs) of Government and critical sector organisations regarding securing the IT infrastructure and mitigating cyber attacks.

- (viii) Government is operating the Cyber Swachhta Kendra (Botnet Cleaning and Malware Analysis Centre). The centre is providing detection of malicious programs and free tools to remove the same.
- (ix) Government has set up the National Cyber Coordination Centre (NCCC) to generate necessary situational awareness of existing and potential cyber security threats. Phase-I of NCCC is operational.
- (x) CERT-In co-operates, works and coordinates incident response measures with international CERTs, overseas organisations and service providers as well as Law Enforcement Agencies.
