information sharing/collaboration between countries, and regional cooperation. Senior leaders are a key component to the successful interdiction, investigation and prosecution of foreign terrorist fighters. The consultation curriculum will focus on the foreign fighter radicalization process, border security, role of social media, de-radicalization, and the need for information sharing and collaboration between countries. This is a joint senior executive forum that will have other regional country participants attending. They are Kyrgyz Republic and Tajikistan.

Training hours are 8:00 a.m. to 5:00 p.m. (Monday through Friday) however, these hours may be adjusted as needed. Course attire is business dress for the course opening and graduation. Business casual dress is appropriate at all other times unless otherwise specified due to the nature of the course.

PARTICIPANT CRITERIA:

This course is designed for a total of 18 senior police executives who are decision-making leaders' responsible for counterterrorism initiatives at the national and international level. Six senior police executives will be from India.

Department policy prohibits personnel assigned to an intelligence agency or military unit from participating in any ATA training/activity. Therefore, the GOI, nor Post, should propose such individuals for this training event. Personnel assigned to an intelligence unit within a law enforcement organization, and who support the law enforcement function of that organization are acceptable. Personnel assigned to a military unit that performs a law enforcement function are likewise acceptable. DS/T/ATA policy requires course participants to attend the entire course. The training value diminishes if a participant is required to perform his/her daily operational duties while attending this course.

ATA programs adhere to the train-the-trainer methodology and each government is encouraged to nominate executives with input into training initiatives. This will facilitate the development of a viable antiterrorism program within its law enforcement community. Executives selected for this course should remain in their positions for a minimum of two years.

PARTICIPANT INFORMATION

Post is requested to forward the name, rank, date/place of birth, current position title, and unit of each participant selected for this course. Need this information by **July 28, 2017**. GOI must also provide this biographic data for two designated alternate candidates for this course. These alternate candidates must be approved and vetted, along with the list of primary participants, prior to the commencement of training. However, the alternates will NOT/NOT attend or participate in the training unless a candidate from the primary list is unable to participate due to vetting, medical, or other issues. It is imperative that the invited

country understand that providing alternate names does not guarantee these candidates will receive ATA training and they should not be sent for training unless one of the original participants is dropped from training prior to the commencement of the course. Once the course is in progress alternate candidates will not be authorized to attend. DS/T/ATA requires that the each government appoint a spokesperson for the group. This individual should have the authority to maintain class order and discipline.

COURSE LANGUAGE

This course will be taught in English with simultaneous translation into Russian. Simultaneous interpreters will be provided by ILEA.

MEDICAL CLEARANCES:

Each respective government must certify in writing that course participants are in excellent health and are fit for travel.

PARTICIPANT TRAVEL

GOI is requested to make all travel arrangements for course participants. All course participants must travel on the same flights to and from the training site. All should schedule the group's travel for arrival in Budapest, Hungary on Saturday, September 30, 2017, and for departure on Saturday, October 7, 2017. We will provide additional information regarding Hungary visa requirements at a future date.

PARTICIPANT CLOTHING:

Course attire is business dress for the course opening and graduation. Business casual dress is appropriate at all other times unless otherwise specified due to the nature of the course. Participants should bring one dress suit (or jacket and tie), suitable clothing for their free time, and appropriate recreational clothing and workout gear. *We strongly encourage no uniforms be worn, only business dress attire.

LODGING:

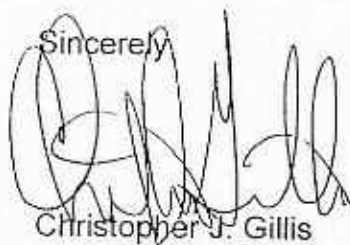

Each participant will be lodged in a single room at ILEA. Post must ensure course participants understand that any additional costs such as telephone calls are the responsibility of the course participants.

PARTICIPANT STIPEND:

Each participant will be provided \$100 to each course participant as their full subsistence grant. These funds are intended to pay for the participant's incidental expenses during travel and training - no other funds are allotted. Lodging and all meals are provided at no cost to the participants during their stay at ILEA.

Please advise in writing no later than **June 29, 2017**, if the GOI accepts this course offering under the terms and requirements cited above. Also, please address your response to the Regional Security Officer and if there are any questions, please contact the security office at the U.S. Embassy, telephone 2419-8000.
