Subject: Implementation of CCTNS Project in States/UTs – Release of funds – Submission of UC - Regarding

Attention is invited to MHA letters in regard to implementation of CCTNS Project in States/UTs. As you are aware, project implementation deadline as set by CCEA is 31st March 2018. For meeting the desired objectives of the project, there is need for release of further funds to your State in addition to funds already released. MHA is getting the remaining amount from the overall outlay of Rs. 2000 Crore in the RE stage and the funds will be disbursed to State/UTs.

2. Nodal Officers are requested to send their demands for funds towards implementation of the CCTNS project keeping in view the funds approved under PIM, in accordance with the extension of the project and the related guidelines issued by MHA relating to SPMU extension and network connectivity. The demand for fresh funds should be supported by up-to-date UC (containing all funds releases since inception, total interest accruals over the year’s vis-à-vis expenditures and commitments for payments).

3. This may be accorded “Top Priority” in view of the fact MHA will not be able to provide funds to the State/UTs after March, 2018.
