We would like to bring to your kind perusal with regard to the Maoists problems to get right Solution. We want to know the authentic attitudes of the Maoists and the Govt, we got independence from the British with non - violence movement to live indepently and not to live with terror under terrorism. Today we are facing with the Maoists problems, not only the Political leaders and the Police but also the Folk. So many great Political Leaders and the Police officers besides the great maoists warriors have been killed, and also The government and The public property have been destroyed under their maosits Operation. So we ask the Maoists and the Govt who are the beneficiaries from this movement and why the Maoists chose the non- violence movement to serve the people. Hence we request the Maoists to give up their non violence movement and come forward to discuss their problems with the govt. to get an appropriate solution. We hope that the government also appoints a committee to discuss their problems. Hence we are demanding the Maoists and the governments that they come for discussions to get a right solution to their problems on November 4th 2013.
