Union Home Minister chairs the review meeting of LWE - affected States

MANDATE

The Ministry of Home Affairs (MHA) has multifarious responsibilities, important among them being internal security, border management, Centre-State relations, administration of Union Territories, management of Central Armed Forces, disaster management, VISA and Citizen issues, etc. Though in terms of Entries 1 and 2 of List II – ‘State List’ – in the Seventh Schedule to the Constitution of India, ‘public order’ and ‘police’ are the responsibilities of States, Article 355 of the Constitution enjoins the Union to protect every State against external aggression and internal disturbance and to ensure that the government of every State is carried on in accordance with the provisions of the Constitution.

In pursuance of these obligations, the Ministry of Home Affairs continuously monitors the internal security situation including the LWE affected areas, Jammu and Kashmir and the North East. It also issues appropriate advisories, shares intelligence inputs, extends manpower and financial support, guidance and expertise to the State Governments for maintenance of security, peace and harmony without encroaching upon the constitutional domain of the States.

“

”

...Unity is our biggest strength...If 125 crore Indians with the mantra of unity, peace and harmony walk one step together shoulder to shoulder, then the country will move 125 crore steps in one go...

Shri Narendra Modi
Prime Minister of India

“

...Terrorism remains the biggest challenge and threat to our peace. It has no boundaries, values or principles. Enmity with humankind is its only objective. Merely strong condemnation of such terrorist attacks is not enough. We must harden our resolve to eradicate this menace and also take serious steps to this end. It also needs to be ensured that terrorism is not glorified and is not patronized by any state. One country's terrorist cannot be a martyr or freedom fighter for anyone. Those who provide support, encouragement, sanctuary, safe

”

haven or any assistance to terrorism or terrorists must be isolated. Strongest possible steps need to be taken not only against terrorists and terrorist organisations but also those individuals, institutions, organisations or nations that support them. Only this will ensure that the forces engaged in promoting the heinous crime of terrorism against humanity are effectively countered...

Shri Rajnath Singh
Home Minister of India

SUCCESS STORIES - UDAAN

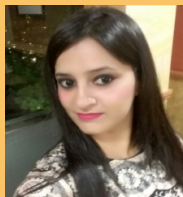

Adnan A Bhat

District: Srinagar
Trained By: Bajaj Allianz
Currently working With: Ola (ANI Technologies Pvt. Ltd.)

“When a person really desires something, all the universe conspires to help that person to realize his dream. I would like to credit MHA’s Udaan Project to put in this journey of learning and for giving me a platform to work and get associated with the best in the business” says Adnan. He went through a year-long unique, intensive and innovative training programme in sales and marketing, which included eight months of on-the-job training and four months of inter department exposure. Adnan believes that Udaan is a great initiative for mainstreaming the youth of Kashmir and giving them an opportunity to grow and flourish.

Mukta Sharma

District: Jammu
Trained By: IL&FS
Currently Working with: Arslan London Security Ltd.

“Opportunity often comes in hidden secrets and temporary things,” says Mukta. Udaan helped her understand the corporate structure, sharpen her interpersonal skills, speak the corporate language with confidence and taught her the true definition of being self-employed. IL&FS Skills has a highly qualified team of managers, trainers and mentors. Her exposure to Udaan opened up many doors for her, including travelling to places, interacting with new people and familiarising oneself with a corporate environment. She says, ‘Udaan helped me realise my dream of working in the corporate sector’.

Murtaza Ali

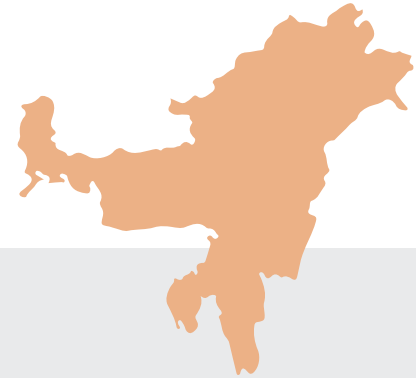

Name: Murtaza Ali
District: Kargil
Trained By: Sebiz Infotech
Currently Working with: Catalyst One

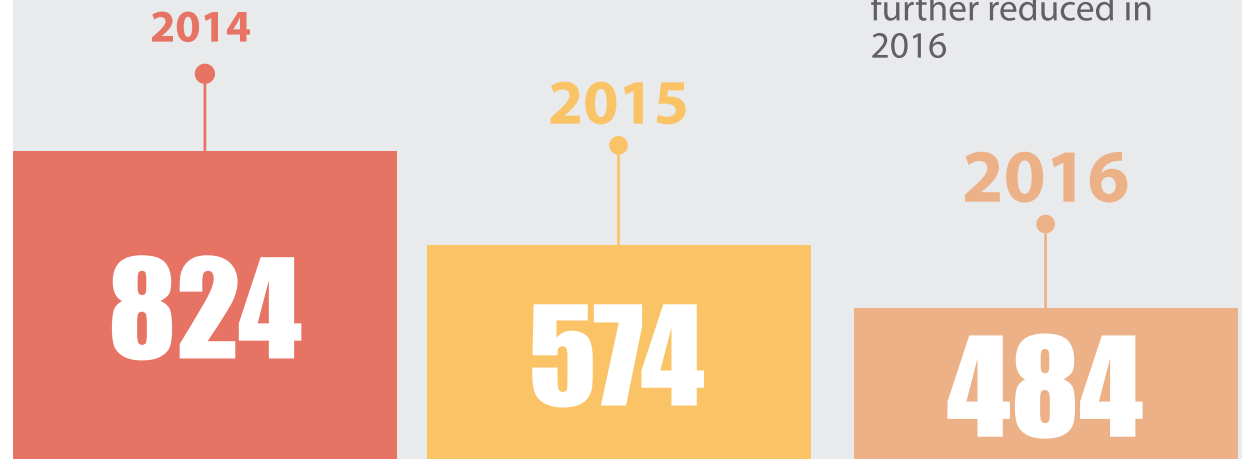

Murtaza Ali from Kargil (Ladakh) District of Jammu and Kashmir finished his MCA from Jammu University. After his graduation he was looking for an opportunity when he heard of Udaan. Through this scheme, he got selected at Sebiz Infotech, Mohali. The training with Sebiz Infotech, helped him improve his technical and communication skills, which made him more confident. He started with a salary of Rs 15,000 per month. Currently he is working at Catalyst One as an Associate Java Developer in Mohali at a salary of Rs.18,000 per month. He feels that this is the kind of programme that will help thousands of his brothers and sisters who are qualified to execute these jobs, but do not get the opportunity.

“

Take to the path of dharma –
the path of truth and justice.
Don't misuse your valour. Remain
united. March forward in all
humility, but fully awake to the
situation you face, demanding
your rights and firmness...
