10.	Hili (West Bengal)	The State Govt. has been requested to identify the land for this purpose and their response is still awaited. Meanwhile, M/s RITES has been requested to pay site visit and discuss with the State Government Officials.
11.	Sutarkhandi (Assam)	The State Govt. has been requested to identify the land for this purpose and their response is still awaited. Meanwhile, M/s RITES has been requested to pay site visit and discuss with the State Government Officials.
12.	Chandrabanga (West Bengal)	The State Govt. has been requested to identify the land for this purpose and their response is still awaited. Meanwhile, M/s RITES has been requested to pay site visit and discuss with the State Government Officials.
13.	Kawarpuchiah (Mizoram)	<p>The State Government of Mizoram had been requested to identify a suitable piece of land for setting up the ICP at Kawrpuchiah. They have identified a piece of land and suggested that it may be taken over by the MHA for setting up the ICP. However, this land is situated along a riverine border with Bangladesh, with no connectivity at present with Bangladesh. A bridge would need to be built across the river to connect the two countries.</p> <p>A joint visit by an official of MHA and representative of M/s RITES to assess the suitability of land has been proposed.</p> <p>The State Government has also been requested to identify a suitable alternative site for the construction of the ICP at Kawrpuchiah.</p>
