

No.3/13/2019-LNJJN-LNJJN NICFS
Government of India
LNJJN National Institute of Criminology and Forensic Science
(Ministry of Home Affairs)

Institutional Area, Outer Ring Road
Sector-3, Rohini, Delhi - 110085

Dated, the June, 2020

11 JUN 2020

CIRCULAR

Subject:- Engagement of Faculty Members on contract basis against vacant teaching posts

This Institute invites application for appointment faculty on contract basis in the following fields as per details given below:-

Faculty of Criminology		Faculty of Forensic Science		Per month remuneration payable
Professor	- 1 Post	Professor	- 2 Posts	Rs. 2,11,746/-
Associate Professor	- 2 Post	Associate Professor	- 4 Posts	Rs. 1,93,698/-
Assistant Professor	- 6 Post	Assistant Professor	- 8 Posts	Rs. 89,781/-

Terms and conditions:-

- i) The proposed engagement is purely on contract basis and the persons engaged shall have no rights whatsoever for regularization of their engagement against the vacant post to which they are engaged on contract basis.
- ii) The contractual engagement shall be for a period of one year, which can be extended on evaluation of the performance. However, period can be curtailed also at the discretion of competent authority without any notice, in the event of appointment of a regular incumbent to the vacant faculty post concerned or on any other grounds.
- iii) In case retired persons are engaged as Faculty Members on contract basis, the monthly remuneration payable to them shall be the Last Pay drawn minus Pension plus DA on the date of offer of appointment.
- iv) Norms/eligibility criteria for engagement on purely contract basis shall be as specified in Annexure-I of this Circular.
- v) Leave entitlement of persons engaged on contract basis shall be regulated as per DoP&T OM No 12016/3/84-Estt (L) dated 12.4.1985 and OM No 12016/1/96-Estt.(L) dated 5.7.1990 as amended from time to time.
- vi) Mode of selection: Through Interview/Personal Talk by a duly constituted Selection Committee.

General Instructions:

1. Eligible candidates may send their applications in the prescribed proforma given in Annexure-II to this Circular, alongwith 3 passport size photographs and attested photocopies of all relevant documents and testimonials to the **Director, LNJJN National Institute of Criminology & Forensic Science (MHA), Outer Ring Road, Sector-3, Rohini, Delhi-110085**, within **15 days** from the date of publication of Advertisement for the aforesaid engagement on contract basis in national newspapers. The envelope containing the application and connected documents may be superscripted with the name of the post applied for.

....2/-

2. Those in employment must forward their application through proper channel.
3. Short-listed candidates will be called for Interview/Personal Talk at Delhi. No TA/DA shall be admissible for attending the Interview/Personal talk.
6. The competent authority reserves the right to cancel or amend or modify the schedule of Personal Talk/Interview and to amend, cancel and/or change any terms and conditions mentioned in this advertisement in whole or part thereof without assigning any reasons.
7. The last date for receipt of application shall be within 15 days of publication of this advertisement in the national newspapers.

Director – LNJJN NICFS

**ELIBILIBILITY CRITERIA FOR ENGAGEMENT OF FACULTY MEMBERS ON
CONTRACT BASIS AGAINST VACANT TEACHING POSTS**

1. Professor (3 Posts):-

The distribution of 3 posts of Professor is as under:-

Faculty of Criminology	Faculty of Forensic Science
Professor (1 Post)	Professor (2 Posts)*
1. Criminology [If not available, then Sociology or Psychology]	1. Biological Sciences/Chemical Sciences, consisting of the disciplines of Forensic Biology/Serology/DNA Profiling and Forensic Chemistry/Toxicology. 2. Physical Sciences, consisting of the disciplines of Forensic Ballistics/Physics/Cyber Forensics/Information & Network Security.

**One post of Professor each is earmarked for Biological/Chemical Sciences and Physical Sciences including Cyber Forensics. The eligibility criteria for each post will include all the respective subjects specified against that post, and the candidates will be expected to possess requisite qualifications and experience in any one of the specified discipline/subjects of Forensic Science, for engagement against that post.*

Eligibility (A or B) :

A.

i) An eminent scholar having a Ph.D. degree in the concerned/allied/relevant discipline, and published work of high quality, actively engaged in research with evidence of published work with a minimum of 10 research publications in the peer-reviewed or UGC-listed journals and a total research score of 120 as per the criteria given in Appendix II, Table 2.

ii) A minimum of ten years of teaching experience in university/college as Assistant Professor/Associate Professor/Professor, and / or research experience at equivalent level at the University/National Level Institutions with evidence of having successfully guided doctoral candidate.

OR

B. An outstanding professional, having a Ph.D. degree in the relevant/allied/applied disciplines, from any academic institutions (not included in A above) / industry, who has made significant contribution to the knowledge in the concerned/allied/relevant discipline, supported by documentary evidence provided he/she has ten years' experience.

2. Associate Professor (6 Posts):-

The distribution of 6 posts of Associate Professor is as under:-

Faculty of Criminology	Faculty of Forensic Science
Associate Professor (2 Posts)	Associate Professor (4 Posts)*
1. Criminology 2. Psychology	1. Forensic Biology/Serology/DNA Profiling 2. Forensic Chemistry and Toxicology 3. Cyber Forensics/Information & Network Security 4. Forensic Ballistics/Physics (including Examination of Questioned Documents & Forensic Photography)

**The eligibility criteria for each post will include all the respective subjects specified against that post, and the candidates will be expected to possess requisite qualifications and experience in any one of the specified discipline/subjects of Forensic Science, for engagement against that post. The disciplines for the post(s) of Associate Professor will depend upon the disciplines in which the respective Post(s) in the Faculty is filled up on engagement basis.*

Eligibility:

- i) A good academic record, with a Ph.D. Degree in the concerned/allied/relevant disciplines.
- ii) A Master's Degree with at least 55% marks (or an equivalent grade in a point-scale, wherever the grading system is followed).
- iii) A minimum of eight years of experience of teaching and / or research in an academic/research position equivalent to that of Assistant Professor in a University, College or Accredited Research Institution/industry with a minimum of seven publications in the peer-reviewed or UGC-listed journals and a total research score of Seventy five (75) as per the criteria given in Appendix II, Table 2 of the "UGC regulations on minimum qualifications for appointment of teachers and other academic staff in Universities and Colleges and measures for the maintenance of standards in higher education-2018".

3. Assistant Professor (14 Posts):-

The distribution of 14 posts of Assistant Professor is as under:-

Faculty of Criminology	Faculty of Forensic Science
Assistant Professor	Assistant Professor
1. Criminology	1. Forensic Physics
2. Law	2. Forensic Biology and Serology
3. Sociology	3. Forensic DNA Profiling
4. Psychology	4. Forensic Chemistry and Toxicology
5. Economic	5. Cyber Forensics
Offences	6. Information and Network Security
6. Police Science	7. Forensic Ballistics
	8. Forensic Documents

Eligibility:**Faculty of Criminology****1. Assistant Professor (Criminology):**

Essential: (i) Master's degree with 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Criminology, or Sociology with specialization in Sociology of Deviance, and

(ii) Must have cleared the National Eligibility Test (NET) in relevant disciplines conducted by the UGC, CSIR or similar test accredited by the UGC, or, who are or have been awarded a Ph.D Degree or M. Phil in related field in accordance with the UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D Degree) Regulations and their amendments from time to time, as the case may be.

OR

Ph.D degree in related field from a University/Institution with a ranking in top 500 in the World University ranking (at any time) by Quacquarelli Symonds (QS), the Times Higher Education (THE) or Academic Ranking of World Universities (ARWU) of the Shanghai Jiao Tong University (Shanghai).

Desirable: (i) Post Graduate Diploma in Victimology/Correctional Administration/Penology.

(ii) Actively engaged in research work in the relevant field with evidence of published work in a reputed journal or teaching/training experience of minimum one year from a recognized University/College/Institution in Criminology or Sociology.

2. Assistant Professor (Law):

Essential: (i) Master's degree with 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Law with specialization in Criminal Law, and
(ii) Must have cleared the National Eligibility Test (NET) in relevant discipline conducted by the UGC, CSIR or similar test accredited by the UGC, or, who are or have been awarded a Ph.D Degree or M. Phil in related field in accordance with the UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D Degree) Regulations and their amendments from time to time, as the case may be.

OR

Ph.D degree in related field from a University/Institution with a ranking in top 500 in the World University ranking (at any time) by Quacquarelli Symonds (QS), the Times Higher Education (THE) or Academic Ranking of World Universities (ARWU) of the Shanghai Jiao Tong University (Shanghai).

Desirable: (i) Post Graduate Diploma in Intellectual Property Rights/Cyber Laws.

(ii) Actively engaged in research work in the relevant field with evidence of published work in a reputed journal or teaching/training experience of minimum one year from a recognized University/College/Institution in Law.

3. Assistant Professor (Sociology):

Essential: (i) Master's degree with 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Sociology with specialization in Sociology of Deviance, and

(ii) Must have cleared the National Eligibility Test (NET) in relevant discipline conducted by the UGC, CSIR or similar test accredited by the UGC, or, who are or have been awarded a Ph.D Degree or M. Phil in related field in accordance with the UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D Degree) Regulations and their amendments from time to time, as the case may be.

OR

Ph.D degree in related field from a University/Institution with a ranking in top 500 in the World University ranking (at any time) by Quacquarelli Symonds (QS), the Times Higher Education (THE) or Academic Ranking of World Universities (ARWU) of the Shanghai Jiao Tong University (Shanghai).

Desirable: Actively engaged in research work in the relevant field with evidence of published work in a reputed journal or teaching/training experience of minimum one year from a recognized University/College/Institution in Sociology.

4. Assistant Professor (Psychology):

Essential: (i) Master's degree with 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Criminal Psychology, or Psychology with specialization in Criminal Psychology/Clinical Psychology/Abnormal Psychology/Forensic Psychology, and

(ii) Must have cleared the National Eligibility Test (NET) in relevant discipline conducted by the UGC, CSIR or similar test accredited by the UGC, or, who are or have been awarded a Ph.D Degree or M. Phil in related field in accordance with the UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D Degree) Regulations and their amendments from time to time, as the case may be.

OR

Ph.D degree in related field from a University/Institution with a ranking in top 500 in the World University ranking (at any time) by Quacquarelli Symonds (QS), the Times Higher Education (THE) or Academic Ranking of World Universities (ARWU) of the Shanghai Jiao Tong University (Shanghai).

Desirable: (i) Post Graduate Diploma in Clinical Psychology/Counseling/Forensic Psychology.

(ii) Actively engaged in research work in the relevant field with evidence of published work in a reputed journal or teaching/training experience of minimum one year from a recognized University/College/Institution in Criminal Psychology or Psychology.

5. Assistant Professor (Economic Offences):

Essential: (i) Master's degree with 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Commerce or Business Administration with specialization in Finance, or Law with specialization in Corporate Law/Economic Offences, and

(ii) Must have cleared the National Eligibility Test (NET) in relevant discipline conducted by the UGC, CSIR or similar test accredited by the UGC, or, who are or have been awarded a Ph.D Degree or M. Phil in related field in accordance with the UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D Degree) Regulations and their amendments from time to time, as the case may be.

OR

Ph.D degree in related field from a University/Institution with a ranking in top 500 in the World University ranking (at any time) by Quacquarelli Symonds (QS), the Times Higher Education (THE) or Academic Ranking of World Universities (ARWU) of the Shanghai Jiao Tong University (Shanghai).

Desirable: (i) Post Graduate Diploma in Management with specialization in Banking & Financial Services/Corporate Law/Banking Law.

(ii) Actively engaged in research work in the relevant field with evidence of published work in a reputed journal or teaching/training experience of minimum one year from a recognized University/College/Institution in Economic Offences.

(iii) Two years' professional experience in a public or private limited company/training institute/bank in the concerned discipline.

6. Assistant Professor (Police Science):

Essential: (i) Master's degree with 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Police Science, Police Administration or Criminology with specialization in Police Science/Police Administration/Security Management, and

(ii) Must have cleared the National Eligibility Test (NET) in relevant discipline conducted by the UGC, CSIR or similar test accredited by the UGC, or, who are or have been awarded a Ph.D Degree or M. Phil in related field in accordance with the UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D Degree) Regulations and their amendments from time to time, as the case may be.

OR

Ph.D degree in related field from a University/Institution with a ranking in top 500 in the World University ranking (at any time) by Quacquarelli Symonds (QS), the Times Higher Education (THE) or Academic Ranking of World Universities (ARWU) of the Shanghai Jiao Tong University (Shanghai).

Desirable: (i) Actively engaged in research work in the relevant field with evidence of published work in a reputed journal or teaching/training experience of minimum one year from a recognized University/College/Institution in Police Science, Police Administration or Criminology.

(ii) Two years' professional experience in Police/Law Enforcement Agencies.

Faculty of Forensic Science

7. Assistant Professor (Forensic Physics):

Essential: (i) Master's degree with 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Physics, Applied Physics or Forensic Science with specialization in Forensic Physics, and

(ii) Must have cleared the National Eligibility Test (NET) in relevant discipline conducted by the UGC, CSIR or similar test accredited by the UGC, or, who are or have been awarded a Ph.D Degree or M. Phil in related field in accordance with the UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D Degree) Regulations and their amendments from time to time, as the case may be.

OR

Ph.D degree in related field from a University/Institution with a ranking in top 500 in the World University ranking (at any time) by Quacquarelli Symonds (QS), the Times Higher Education (THE) or Academic Ranking of World Universities (ARWU) of the Shanghai Jiao Tong University (Shanghai).

Note:- Candidates having Master's degree in Forensic Science should have Physics as one of the major subject at the graduate level.

Desirable: (i) Post Graduate Diploma in Forensic Physics.

(ii) Minimum two years' experience of working in Forensic Physics Division of any Forensic Science Laboratory/Institution, or in Road Accident Investigation/Audio, Video, Image analysis, or related fields.

(iii) Actively engaged in research work in the relevant field with evidence of published work in a reputed journal or teaching/training experience of minimum one year from a recognized University/College/Institution in Forensic Physics or related field.

8. Assistant Professor (Forensic Biology and Serology):

Essential: (i) Master's degree with 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Physical Anthropology/Human Biology/Genetics/Human Genetics/Zoology/Botany/Biotechnology/Biochemistry/Microbiology or Forensic Science with specialization in Forensic Biology and Serology, and

(ii) Must have cleared the National Eligibility Test (NET) in relevant discipline conducted by the UGC, CSIR or similar test accredited by the UGC, or, who are or have been awarded a Ph.D Degree or M. Phil in related field in accordance with the UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D Degree) Regulations and their amendments from time to time, as the case may be.

OR

Ph.D degree in related field from a University/Institution with a ranking in top 500 in the World University ranking (at any time) by Quacquarelli Symonds (QS), the Times Higher Education (THE) or Academic Ranking of World Universities (ARWU) of the Shanghai Jiao Tong University (Shanghai).

Note:- Candidates having Master's degree in Forensic Science should have Zoology or Botany as one of the major subjects at the graduate level.

Desirable: (i) Post Graduate Diploma in Forensic Biology and Serology and/or related disciplines of Forensic Biology.

(ii) Minimum two years' experience of working in Forensic Biology/Serology Division of any Forensic Science Laboratory/Institution.

(iii) Actively engaged in research work in the relevant field with evidence of published work in a reputed journal or teaching/training experience of minimum one year from a recognized University/College/Institution in Forensic Biology/Serology.

9. Assistant Professor (Forensic DNA Profiling):

Essential: (i) Master's degree with 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Physical Anthropology/Human Biology/Genetics/Human Genetics/Zoology/Biotechnology/Biochemistry/Microbiology or Forensic Science with specialization in Forensic DNA Profiling & Analysis, and

(ii) Must have cleared the National Eligibility Test (NET) in relevant discipline conducted by the UGC, CSIR or similar test accredited by the UGC, or, who are or have been awarded a Ph.D Degree or M. Phil in related field in accordance with the UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D Degree) Regulations and their amendments from time to time, as the case may be.

OR

Ph.D degree in related field from a University/Institution with a ranking in top 500 in the World University ranking (at any time) by Quacquarelli Symonds (QS), the Times Higher Education (THE) or Academic Ranking of World Universities (ARWU) of the Shanghai Jiao Tong University (Shanghai).

Note:- Candidates having Master's degree in Forensic Science should have Zoology or Botany as one of the major subjects at the graduate level.

Desirable: (i) Post Graduate Diploma in Forensic Biology, Serology and DNA Profiling.

(ii) Minimum two years' experience of working in Forensic Biology/DNA Division of any Forensic Science Laboratory/Institution.

(iii) Actively engaged in research work in the relevant field with evidence of published work in a reputed journal or teaching/training experience of minimum one year from a recognized University/College/Institution in Forensic Biology.

10. Assistant Professor (Forensic Chemistry and Toxicology):

Essential: (i) Master's degree with 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Chemistry, Applied Chemistry, Biochemistry or Forensic Science with specialization in Forensic Chemistry/Forensic Toxicology, and

(ii) Must have cleared the National Eligibility Test (NET) in relevant discipline conducted by the UGC, CSIR or similar test accredited by the UGC, or, who are or have been awarded a Ph.D Degree or M. Phil in related field in accordance with the UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D Degree) Regulations and their amendments from time to time, as the case may be.

OR

Ph.D degree in related field from a University/Institution with a ranking in top 500 in the World University ranking (at any time) by Quacquarelli Symonds (QS), the Times Higher Education (THE) or Academic Ranking of World Universities (ARWU) of the Shanghai Jiao Tong University (Shanghai).

Note:- Candidates having Master's degree in Forensic Science should have Chemistry as one of the major subject at the graduate level.

Desirable: (i) Post Graduate Diploma in Forensic Chemistry and Toxicology.

(ii) Minimum two years' experience of working in Forensic Chemistry/Toxicology/ Narcotics/Explosives Division of any Forensic Science Laboratory/Institution.

(iii) Actively engaged in research work in the relevant field with evidence of published work in a reputed journal or teaching/training experience of minimum one year from a recognized University/College/Institution in Forensic Chemistry or Forensic Toxicology.

11. Assistant Professor (Cyber Forensics):

Essential: (i) Master's degree with 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Cyber/Digital Forensics or Information Technology or Computer Science and Engineering or Cyber Security and Incident Response or Computer and Information Sciences or Forensic Science with specialization in Cyber/Computer Forensics, or

(ii) Master of Computer Application with Post Graduate Diploma in Computer/Digital/Cyber Forensics or Forensic Accounting, and

(iii) Must have cleared the National Eligibility Test (NET) in relevant discipline conducted by the UGC, CSIR or similar test accredited by the UGC, or, who are or have been awarded a Ph.D Degree or M. Phil in related field in accordance with the UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D Degree) Regulations and their amendments from time to time, as the case may be.

OR

Ph.D degree in related field from a University/Institution with a ranking in top 500 in the World University ranking (at any time) by Quacquarelli Symonds (QS), the Times Higher

Education (THE) or Academic Ranking of World Universities (ARWU) of the Shanghai Jiao Tong University (Shanghai).

Desirable: (i) Post Graduate Diploma in Cyber/Computer/Digital Forensics or Cyber Crimes or Forensic Accounting.

(iii) Minimum two years' experience of working in Cyber/Computer/Digital Forensics or Cyber Crime Division of any Forensic Science Laboratory/Institution.

(iii) Actively engaged in research work in the relevant field with evidence of published work in a reputed journal or teaching/training experience of minimum one year from a recognized University/College/Institution in Cyber/Computer/Digital Forensics or Cyber/Information Security or Cloud Technology or Machine Learning or Artificial Intelligence.

12. Assistant Professor (Information and Network Security):

Essential: (i) Master's degree with 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Information/Cyber Security or Information Technology or Network Technology or Computer Science and Engineering or Electronics and Communication Engineering, or Network and Cyber Security or Network Technology and Management or Data Science or Computer and Information Sciences or Artificial Intelligence and Robotics, or

(ii) Master of Computer Application with Post Graduate Diploma in Computer/Digital/Cyber/Information Security, and

(iii) Must have cleared the National Eligibility Test (NET) in relevant discipline conducted by the UGC, CSIR or similar test accredited by the UGC, or, who are or have been awarded a Ph.D Degree or M. Phil in related field in accordance with the UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D Degree) Regulations and their amendments from time to time, as the case may be.

OR

Ph.D degree in related field from a University/Institution with a ranking in top 500 in the World University ranking (at any time) by Quacquarelli Symonds (QS), the Times Higher Education (THE) or Academic Ranking of World Universities (ARWU) of the Shanghai Jiao Tong University (Shanghai).

Desirable: (i) Post Graduate Diploma in Cyber/Computer/Digital/Information Security or e-Commerce.

(iii) Minimum two years' experience of working in Cyber/Computer/Digital/Information Security or e-Commerce Division of any Forensic Science Laboratory/Institution.

(iii) Actively engaged in research work in the relevant field with evidence of published work in a reputed journal or teaching/training experience of minimum one year from a recognized University/College/Institution in Cyber/Computer/Information Security or Application/Programming/Web Security or Cloud Computing or Distributed systems or Networks and Mobile Systems or Communication Systems Hardware or Signal Processing or e-Commerce or Social Media Data Analysis.

13. Assistant Professor (Forensic Ballistics):

Essential: (i) Master's degree with 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Physics or Chemistry or Mathematics or Forensic Science with specialization in Forensic Ballistics, and

(ii) Must have cleared the National Eligibility Test (NET) in relevant discipline conducted by the UGC, CSIR or similar test accredited by the UGC, or, who are or have been awarded a Ph.D Degree or M. Phil in related field in accordance with the UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D Degree) Regulations and their amendments from time to time, as the case may be.

OR

Ph.D degree in related field from a University/Institution with a ranking in top 500 in the World University ranking (at any time) by Quacquarelli Symonds (QS), the Times Higher Education (THE) or Academic Ranking of World Universities (ARWU) of the Shanghai Jiao Tong University (Shanghai).

Note:- Candidates having Master's degree in Forensic Science should have Bachelor's degree with Physics, Chemistry and Mathematics subjects.

Desirable: (i) Post Graduate Diploma in Forensic Ballistics.

(ii) Minimum three years' experience of working in Forensic Ballistics Division of any Government Forensic Science Laboratory/Institution.

(iii) Actively engaged in research work in the relevant field with evidence of published work in a reputed journal or teaching/training experience of minimum one year from a recognized University/College/Institution/Organization in Ballistics.

14. Assistant Professor (Forensic Documents):

Essential: (i) Master's degree with 55% marks (or an equivalent grade in a point scale wherever grading system is followed) in Physics/Chemistry/Applied Physics/Applied Chemistry or Forensic Science with specialization in Document Examination, and

(ii) Must have cleared the National Eligibility Test (NET) in relevant discipline conducted by the UGC, CSIR or similar test accredited by the UGC, or, who are or have been awarded a Ph.D Degree or M. Phil in related field in accordance with the UGC (Minimum Standards and Procedure for Award of M.Phil./Ph.D Degree) Regulations and their amendments from time to time, as the case may be.

OR

Ph.D degree in related field from a University/Institution with a ranking in top 500 in the World University ranking (at any time) by Quacquarelli Symonds (QS), the Times Higher Education (THE) or Academic Ranking of World Universities (ARWU) of the Shanghai Jiao Tong University (Shanghai).

Note:- Candidates having Master's degree in Forensic Science should have Bachelor's degree with Physics or Applied Physics or Chemistry or Applied Chemistry subjects.

Desirable: (i) Post Graduate Diploma in Document Examination.

(ii) Minimum three years' experience of working in Forensic Document Division of any Forensic Science Laboratory/Institution.

(iii) Actively engaged in research work in the relevant field with evidence of published work in a reputed journal or teaching/training experience of minimum one year from a recognized University/College/Institution in Document Examination.
