Sub: Grant of Special Remission to Prisoners as part of celebrations of Azadi Ka Amrit Mahotsav – addition of a new ‘Special Remission’ Module in ePrisons.

Sir,

As you are aware, the Government of India has decided to celebrate the ‘Azadi Ka Amrit Mahotsav’ as a series of events to commemorate the 75th Anniversary of India’s Independence. As part of the celebrations, it is proposed to give special remission to certain categories of prisoners and release them in three phases – 15th August, 2022 (75th anniversary of Independence), 26th January 2023 (Republic Day) and again on 15th August, 2023.

2. The Hon’ble Home Minister has written to the Hon’ble Chief Ministers/Lt. Governors/Administrators of all States and UTs on April 21, 2022 and has requested them to take appropriate action in the matter. This was followed by a letter from the Union Home Secretary to the Chief Secretaries/ Administrators of all States and UTs, inter-alia, requesting them to take appropriate action in this regard. A copy of the Guidelines and Timelines, which are to be followed for granting Special Remission to Prisoners on 15th August, 2022 (75th anniversary of Independence), 26th January 2023 (Republic Day) and again on 15th August, 2023 are again forwarded herewith for your attention and appropriate action.

3. To facilitate the process of identification/shortlisting of inmates eligible for the Special Remission scheme and to periodically update the status of various steps involved in the process, **a new ‘Special Remission’ module** has been added to the ePrisons software. Prison Officials can access the ePrisons software application at the URL (<https://eprisons.nic.in>) with the existing credentials (user id / password) as already provided to them. A step by step guide (User Manual) for using this module, which includes, Special Remission Module Dashboard, Computation of sentence of convicted prisoners, Generation of draft list of eligible prisoners, Forwarding of list to State Level Screening Committee and further updation of records on receiving approval of the State Government and Hon’ble Governor, etc. has been prepared and is forwarded herewith.

4. The NIC ePrisons team will hold video conference with all Prison authorities and will facilitate and guide them in making use of this special module. For any technical issues with the module, the Prison authorities can contact the NIC officials through phone and email id indicated at the bottom of the attached User Manual.

5. It is felt that this online interoperable Special Remission Module on the ePrisons suite will assist the State/UT Prison authorities in processing the cases of inmates eligible for special remission in a speedy and accurate manner and the States and UTs will be in a better position to process the cases in accordance with the timelines indicated for the Special Remission scheme.

Compute Sentence of Convicted Prisoners

This is the first step for processing the data of convicts eligible under ‘Special Remission’ scheme. This computation will calculate the Period Undergone along with maximum sentence. It may take a few seconds to compute the same depending upon the number of convicts in a jail. It may be noted that from the screen above that the number of Total convicted inmates was earlier showing as **868** but in the screen below this count is now shown as **874** after pressing the sentence computation button.

Generation of Draft List

Once the period undergone is computed, users can generate the draft list of eligible inmates under the prescribed filters by clicking the **‘Generate Eligible List’** button.

List of eligible prisoners will be generated by the system as per data entered/available in the system.

Once, the list is generated, it may be seen from the screen below that the count of Eligible Prisoners which was earlier showing 0 is now showing 122 eligible inmates.

Count Changed '0' to '122'

Forwarding the List of Prisoners to State Level Screening Committee (SLSC)

Once the list is verified with physical records by the Prison authority, Modify/ Delete on the Right of the screen with nominated Category of the convict prisoner may be modified or deleted from eligible prisoner list. Once all PIDs are checked (✓) and list is prepared, the list can be forwarded to the SLSC by pressing the button '**Forward to SLSC**' at the bottom of the list.
