(c) the date of purchase;

and if the arms or ammunition are purchased from any person other than a licensed dealer, shall also cause the particulars specified in clauses (b) and (c) to be furnished in writing to the authority who granted this licence within such period as may be prescribed for this purpose by such authority. No purchase of ammunition shall, however, be permitted except on a written certificate, from the licensee certifying that with the amount proposed to be purchased, the total quantity of ammunition in his possession will not exceed the maximum which he is entitled to possess at any one time, or his total allowance for the year.
(7) He shall not purchase ammunition of any kind in excess of the maximum, which may, from time to time, be fixed by the Central Government. Such maximum may be prescribed both for the amount purchasable in a calendar year and for the amount that may be possessed at any one time. If, however, a licensee exhausts the total quantity of ammunition purchasable in a year earlier than the close of the year, he may for good and sufficient reasons be given a temporary increase in the total quantity purchasable at the discretion of the licensing authority.

(8) He shall not possess Government arms and ammunition.

Explanation - For the purpose of this condition-

(a) “Government arm” means a firearm or other weapon, which is the property of the Government; and

(b) “Government ammunition” means ammunition manufactured in any Government factory, or prepared for and supplied to Government other than such ammunition as may be released by Government for civilian use.

(9) The licensee shall-

(a) on demand by an authorized officer produce the arms possessed under this licence;

(b) not sell or transfer any arms or ammunition or any part thereof covered by this licence to any person not lawfully entitled to possess them;

(c) forthwith give information at the nearest police station of the loss or theft of any arms or ammunition covered by this licence; and

(d) give prior intimation to the licensing authority concerned of his intention to break up or dispose of any firearms or ammunition or any part thereof (otherwise than as mentioned in note below); failing which, proof of the articles having been broken up or disposed of will have to be furnished to the satisfaction of the licensing authority.

(10) Condition 8 may be cancelled by the authority granting the licence if empowered to do so by the Central Government, and an endorsement added showing the Government arms or ammunition, which the licensee is authorized to possess.
(11) Where the licence is granted for the purpose of sport, the licensee or any other retainer or any foreign tourist or other person referred to in the proviso to condition 2 or any other person using the weapon under the licence shall observe such close season as may be prescribed by the State Government concerned in respect of the game-birds and animals.

(12) (a) The licensee may, at his option, apply to the nearest authority having jurisdiction for renewal of the licence as and when it becomes necessary.

(b) If a person who holds a licence in form III changes his place of residence, permanently, or temporarily for more than thirty consecutive days, and carries with him the weapon covered by the licence, to a place other than that indicated in column 2 of the licence, he shall, (within thirty days of such change), send intimation about such change to the licensing authority of the place of his new residence as well as to the authority which granted the licence or last renewed it as the case may be; and shall, on demand, forthwith produce the licence and the weapon to the first mentioned authority for making necessary entry in the licence to indicate therein the particulars of the new residence of the licensee.

(13) Without prejudice to the voidance of this licence for breach of any of the foregoing conditions, it shall be void if-

(a) the licensee dies, or

(b) any weapon-covered thereby -

(i) is sold, or transferred, or

(ii) is attached in execution of a decree;

Provided that where a weapon is sold or transferred, the licensing authority may permit the holder of the licence to acquire a fresh weapon of the same description within such period as may be specified by him in this behalf and subject to-

(a) the production of the weapon so acquired or the licence or both before the aforesaid licensing authority for inspection as required under sub-rule (2) of rule 52; and

(b) the payment of the prescribed licence fee in respect of the weapon so acquired.
(14) The authority granting or renewing the licence has the right to enquire at any time during the currency of the licence whether the weapon or weapons for which it has been granted is or are still in the possession of the licensee and to require its or their production for the purposes of such enquiry.

Note (1) Any breach of the conditions of this licence is punishable with imprisonment for a term, which may extend to six months, or with fine, which may extend to Rs. 2000/- or with both (section 30 of the Act).

Note (2) Licensees are warned that in case they sell or transfer any arms or ammunition covered by the licences possessed by them to any person, they shall forthwith inform in writing the district magistrate having jurisdiction or the officer-in-charge of the nearest police station, of such sale or transfer, together with the particulars of the firearms and ammunition and the person to whom they have been sold or transferred (Section 5 of the Arms Act, 1959). Failure to give such information is punishable with imprisonment for a term, which may extend to six months, or with fine, which may extend to Rs. 500, or with both [Section 25 (3) of the Act].
