DEVELOPMENTS WITH REFERENCE TO NORTH EASTERN REGION

1. The Hynniewtrep National Liberation Council (HNLC) of Meghalaya has been openly declaring as its objective the secession of the areas in the State of Meghalaya (largely inhabited by Khasi and Jaintia tribals) from the Indian Union. The HNLC has been employing and engaging in armed means to achieve their objective; indulging in acts of intimidation and extortion for collection of funds for their organization; looting of civilian population for collecting of funds; maintaining links with other insurgent groups of North Eastern Region for carrying out acts of extortion and intimidation; maintaining camps in neighbouring country for the purpose of sanctuary and training of their cadres.

The activities of the HNLC are detrimental to the sovereignty and integrity of India, and if these are not immediately curbed and controlled, the said HNLC would regroup and rearm itself, expand its cadres, procure sophisticated weapons, cause loss of lives of civilians and Security Forces and accelerate its anti-national activities.

Therefore, in exercise of the powers conferred by sub-section (1) of Section 3 of the Unlawful Activities (Prevention) Act, 1967 (37 of 1967) the Central Government has declared the Hynniewtrep National Liberation Council (HNLC) along with all its factions, wings and front organizations as unlawful association. The official Gazette notification to this effect was published on 16th November, 2012.

2. The United Liberation Front of Assam (ULFA) and its various factions, wings and fronts has as its professed aim, the "Liberation" of Assam from the Indian Union through an armed struggle in alliance with other armed secessionist organisations of the North East Region. The ULFA has indulged in various illegal and violent activities intended to disrupt the sovereignty and territorial integrity of India in furtherance of its objective of liberating Assam; aligned itself with other unlawful

associations of North Eastern Region to secede Assam from India; engaged in several unlawful and violent activities during the currency of its declaration as an unlawful association. The unlawful and violent activities which are attributed to ULFA include- killing of eleven persons including four Security Forces personnel during the period from 1st January, 2011 to 31st August, 2012; indulging in spate of extortion and secessionist activities and endangering lives of innocent citizens, in addition to acts of kidnapping for ransom; instructing its cadres to carry out acts by targeting the establishments of security forces and their personnel, political leaders, railways and oil installations; establishing sanctuaries and training camps in neighbouring countries; embarking upon restructuring of its organizational network at the grass root level by launching a quite but systematic drive for recruitment of fresh cadres while continuing its violent and insurgent activities.

The activities of ULFA are detrimental to the sovereignty and integrity of India. If there is no immediate curb and control of unlawful activities of ULFA, it may take the opportunity to mobilize its cadres for escalating its secessionist; subversive and violent activities and openly propagate anti-national activities in collusion with forces inimical to India's sovereignty and national integrity.

Therefore, in exercise of the powers conferred by sub-section (1) of Section 3 of the Unlawful Activities (Prevention) Act, 1967 (37 of 1967) the Central Government has declared the United Liberation Front of Asom (ULFA) alongwith all its factions, wings and

front organisations as unlawful associations. The official Gazette notification to this effect was published on 27th November, 2012.

3. The National Democratic Front of Boroland (NDFB) has its professed aim, the "Liberation of Boroland" consisting largely of Bodo inhabited areas of Assam and to bring the secession of the said areas from India, in alliance with other armed secessionist organisations of the North East Region. The NDFB has been indulging in illegal and violent activities intended to disrupt the sovereignty and territorial integrity of India in furtherance of its objective of achieving a separate Boroland; aligning itself with other underground outfits of the North Eastern Region in furtherance of its objectives to create a separate Boroland; engaging in unlawful and violent activities thereby undermining the authority of the Government of India and the Government of Assam.

The NDFB was involved in killing of 14 persons including 10 security forces personnel in 36 incidents of violence in 2011; killing of one civilian in eight incidents of violence in 2012 (upto 30th September). The activities of the NDFB are detrimental to the sovereignty and integrity of India.

Therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Unlawful Activities (Prevention) Act, 1967 (37 of 1967) the Central Government has declared the National Democratic Front of Boroland as unlawful association. The official Gazette notification to this effect was published on 23rd November, 2012.

(2) Safe-Secure-Shillong Project Launched

On 20th September, 2012, Meghalaya Police launched SAFE-SECURE-SHILLONG project in a programme held under the chairmanship of Shri N.Ramachandran, then Director General of Police. The project is a unique initiative to forge a strong partnership between the police and the community, towards crime reduction and improving security. Through a process of community consultation, the Police department has engaged local communities in identifying key issues in developing responses to control and reduce crime and anti-social behaviour; ensure security and safety of public places, shops, hotels, business establishments and shopping centres, residential areas etc. by using modern technology to enhance the surveillance capabilities reduce police response time and build a strong partnership between the police and the community.

The strategy consists of installation of CCTV cameras at strategic locations and connecting them to the central control room including to the respective police stations and encouraging shops, business establishments, banks, hotels,

restaurants etc to procure and install CCTV cameras within their premises for continuous recording.

A communication plan is being developed for members of the public to reach out to the police and vice versa through an 'alert network' for information sharing between police and citizens using SMS, mobile phone calls etc. The Project implementation was further reinforced with a series of meetings with general public.

(3) CONFERENCE OF THE SUPERINTENDENTS OF POLICE AND COMMANDANTS AND HEADS OF POLICE UNITS HELD AT PHQ, SHILLONG

On 3rd and 4th October, 2012, a two -day Conference of the Superintendents of Police & Commandants (SP/CO) conference was held at the Police Head Quarters, Shillong.

During the deliberations, the district SsP briefed about the prevailing crime scenario in their respective districts and made presentations on the preparation for the forthcoming Assembly elections. The Director General of Police (DGP), while addressing the Officers, emphasized on the importance of basic policing, reaching out to the common people, attending to the welfare needs of the police personnel etc. DGP also placed on record his appreciation of the excellent work being done by all police personnel.

Hon'ble Chief Minister Dr Mukul Sangma addressed the conference on 04th Oct 2012. In his address, he highlighted the importance of community participation in policing as a force multiplier on the efforts of the police. The Chief Minister also emphasized the need for secure police housing complexes so as to ensure safety of families when the police personnel are posted out. Initially, two such police housing complexes would be constructed in South Garo Hills and West Garo Hills districts for which necessary funds are being provided by the Dept of DONER, Govt of India.

The Chief Minister later flagged off the five Police Patrol Vehicles for Shillong and Tura, which were meant for round the clock duty to attend to emergency calls. Also, the Chief Minister flagged off two Anti-Human Trafficking vehicles meant for the Anti-Human Trafficking Units established in Shillong and Tura which are funded by the Government of India.

(4) Transparent Recruitment Policy For Recruitment In Meghalaya Police

Following the notification of the Transparent Recruitment Policy (TRP) by the Government of Meghalaya, the Meghalaya Police has started recruitments to the posts of UB and AB Constables and allied posts in the department

involving the use of technological innovations to ensure objectivity and accuracy and eliminate discretionary powers on the part of the recruiting officers as far as possible. The Policy Document is available at Meghalaya Police website- www.megpolice.gov.in.

A strong and effective grievance redressal mechanism has been set up and candidates can approach the senior most officer at the venue of recruitment in case they have any complaints. They can also address their grievances to the Chairman of the Central Recruitment Board at bishondro@gmail.com and also send their grievances directly to the DGP at dgpMeghalaya@gmail.com.

NORTH EASTERN RURAL LIVELIHOOD PROJECT

The Cabinet Committee on Economic Affairs (CCEA) approved implementation of North East Rural Livelihood Project (NERLP) on 16th November 2011 at an estimated cost of Rs. 683.2 crore, comprising assistance as a soft loan from the World Bank of Rs. 614.8 crore and the Central Government funding of Rs. 68.4 crore, in two selected districts in the States of Mizoram, Nagaland, Sikkim and Tripura.

The North East Rural Livelihood Project has become effective in March, 2012. Recruitment process for Regional Project Monitoring Unit and eight District Project Management Units is in final stages.

The objective of NERLP is to improve rural livelihoods especially that of women, unemployed youth and of most disadvantaged by providing access to economic opportunities, improving adaptation of sustainable agricultural and natural resource management through establishing participatory and accountable community based institutions. Targeted outcome indicators of project development objectives are:-

- (i) At least 60% of women Self Help Group members achieve minimum increase of 30% in income, in real terms by end of the project.

- (ii) At least 30% of the project-benefited unemployed youths are employed.
- (iii) At least 50% of disadvantaged households achieve minimum of 30% improvement in livelihood indices from entry into the project.

The project aims at providing resources to engage various private and public sector organisations who in turn will assist Producer Organisations and Self Help Groups to access better market information and latest technology, obtain higher returns for their produce and help communities align their produce better with market demands. Following strategies are proposed for marketing and for establishing marketing linkages around them:

- Support for production cluster development, collective marketing, market infrastructure development, market intelligence collection, analysis and dissemination;
- Value chain analysis and linkage support;
- Public-private partnership;
- Linkage with nodal agencies to facilitate marketing;

DEVELOPMENT TAKING DEEP ROOTS ALONG SINO-INDIA BORDER IN ARUNACHAL

Development is taking deep roots on this side of the Sino-India border unlike the common impression that other side of the border was highly developed.

This was the message conveyed by Lumla lawmaker and Civil Aviation Parliamentary Secretary Shri Jambey Tashi while inaugurating the community mushroom farms here in Tawang district along the tri-junction of Bhutan, Tibet and India.

The farms are set up by New Delhi-based Inspire Network for Environment (INE) and Yuva Arunachal, both voluntary organizations engaged in improving the lot of the people living in the border areas.

Addressing a public meeting, Shri Tashi lauded INE and Yuva Arunachal and ICICI bank and its Foundation for their path-breaking initiative in six border villages by launching community mushroom cultivation farming to provide solace to the villagers looking for sustainable development alternative with cultivation becoming less remunerative with the passage of time.

Appreciating former chief minister, late Dorjee Khandu, who desired greater welfare of the state and present Chief Minister Shri Nabam Tuki for giving priority to agri-horticulture sector for improving the lot of the people of the agrarian state, Shri Tashi assured all possible support to INE and Yuva Arunachal in making their all endeavours successful.

CULTURAL GRANDEUR OF NORTHEAST SHOWCASED AT 32ND IITF

Craftspersons and entrepreneurs from North Eastern States participated in the recently held 32nd India International Trade Fair (IITF), which provided them a big platform to showcase their products and skills. More than 250 crafts persons and entrepreneurs from the eight states of the northeast participated in the trade fair. Each state had a dedicated pavilion at the fair with different themes.

Around 27 exhibitors from Nagaland showcased a variety of products like handloom, artificial jewellery, decorative items, paintings and cultural artifacts.

Tipini, an entrepreneur from Tuensang district in Nagaland, was exhibiting her handicrafts in Delhi for the first time and was thrilled by the response of the people. "We have displayed handmade items - like the dresses, waistcoats, bed sheets, even the necklaces," said Tipini.

Exhibitors from Tripura, Manipur, Mizoram, Assam, Meghalaya and Arunachal Pradesh also took part in the fair. Dressed in traditional attires, they also promoted the culture of their state.

Large crowds thronged the Arunachal Pradesh pavilion for its cane and bamboo products. Other than handloom, many innovative products like designer lampshades and sofa sets made from horns of bullocks were on display. "We have displayed handicraft items of Arunachal Pradesh and they all are handmade. We are making profit with good sales," said Shri Tai Tatvp, Manager for textile and handicrafts, Arunachal Pradesh.

The exhibitors benefit from such fairs as they gain experience about customer demand and the changes they need to make in their products to market them in Delhi and other places. The event provided them a platform to generate business, and boost incomes of the artisans and craftsmen from the region. "We have got lots of international and domestic queries for these products. We will promote rural artisans to make these products," said Shri Manoj Kumar, exhibitor, Tripura.

The IITF 2012 was a perfect blend of commerce and culture. During the fair, every state was allotted a day to celebrate its State day to promote awareness about cultures and traditions of the region.

DURGA PUJA IN NORTHEAST SENDS OUT MESSAGE OF PEACE AND HARMONY

Durga Puja was celebrated across the northeast recently which saw a large number of people from all walks of life taking part. Massive pandals were set up for the festival where people offered prayers to goddess Durga and wished for a prosperous future.

With most insurgent groups in talks with the central government, there is confidence among the people about peace in the region.

"It is a great feeling to participate in this festival. People from all tribes and communities participated in the festival. This festival clearly sends a message of peace

and harmony in the region," said Gitanjali Choudhary. The festive mood was visible in Tripura. This time people spent long hours in the pandals due to drop in the insurgent activities in the region. Roads in Agartala, which once used to be deserted because of threats from insurgents, were packed with people through nights.

"We seek the blessings of Goddess Durga so that permanent peace and harmony could be established in the region," said Shri Surat Choudhary. The festival brought together people from all communities, promoting unity and brotherhood.

MANIPUR BODYBUILDER WINS 'MR. SOUTH ASIA' TITLE

HIV positive Manipuri muscleman Khundrakpam Pradip Kumar recently bagged the "Mr. South Asia" title in Ludhiana, Punjab. Shri K Pradip Kumar won the title in 65 kg weight category. "People were amazed when they came to know that I am infected with HIV. My message to all is that even with HIV, it is possible to lead a normal life like others," said Shri Pradip Kumar.

The All Manipur Gymnasium Welfare Association, his family, well-wishers and members of Self Support Group, recently felicitated Pradip Kumar at a function here.

"He told us about winning the gold medal. We all cried out of joy. I was worried for him since he went alone, but when I heard the news, I was overwhelmed and proud of him," said Pradip Kumar's mother Smt. Kh Memma Devi. Shri Pradip Kumar stood 8th in the Mr. World Competition last year.

He is undergoing Anti Retroviral Therapy and is preparing for Mr. World championship scheduled to be held in Bangkok.
