MINISTRY OF HOME AFFAIRS
New Delhi-110011, the 29th November 2010

RESOLUTION

2. Some time ago it was felt by the Government that the Forensic Science sector in the country needed to be upgraded. So, two distinguished Forensic Scientists were appointed by the Ministry of Home Affairs to study the status of the Central Forensic Science Services available in the country as well as the challenges being faced by it and suggest ways and means to revamp and modernize the organizational structure/setup of the various Central Forensic Laboratories, Personnel Policies, Training requirements, etc. The two scientists made a number of recommendations for improving the all-round competency and functioning of the Central Forensic Science Laboratories and the Forensic Science Sector.

3. After a careful consideration of the report submitted by them, some of the recommendations were accepted. These, inter alia, include the recommendation of renaming the Directorate of Forensic Science (DFS) in order to widen the scope of the services to be provided by this sector in order to make the Criminal Justice Delivery System in the country more effective. It has, therefore, been decided that the present Directorate of Forensic Science will henceforth be known as the Directorate of Forensic Science Services (DFSS).
